An architectural rendering of a multi-story building renovation project. The image shows a mix of old and new architecture. On the left, a classical building with a pediment and columns is partially visible. The main part of the image features a modern, light-colored building with large glass windows and cylindrical towers. A tree with orange and yellow leaves stands in front of the building. In the foreground, a dark purple car is parked, and a person is walking. To the right, a red vintage car is also visible. The sky is blue with white clouds.
